

Outdoor Living Solutions for Your Home

Everything you need in one place to develop your outdoor living space.

Your outdoor living solution should directly reflect your needs, as well as your lifestyle.

Bioclimatic *Pergola* Range

The Creators of the Bioclimatic Pergola

We have teamed up in partnership with SOLISYSTEME to bring you two fantastic Bioclimatic Pergolas...The REFERENCE and The ELEGANCE.

SOLISYSTEME is the original inventor of the Bioclimatic Pergola and have been manufacturing these iconic structures since 1998 and to this day is a family run business.

SOLISYSTEME are now world renowned for quality, innovation and durability and held the original patent for the louvered structure from 1998 to 2008, all of their aluminium profiles are subject to the Qualicoat and Qualmarine standards which guarantees quality and durability over time and give an impeccable finish.

The Bioclimatic Concept... The Bioclimatic Pergola is an original and exclusive concept that provides you with an entirely new living space. To be able to quickly shape your environment to enhance your outdoor experience with stylish weather protection, is truly a leap forward...

***Protection...Ventilation...Control...
Brightness***

WARRANTY

The ELEGANCE and the REFERENCE both come to you complete with a 10 year guarantee on the structures and louvers plus a 3 year guarantee on mechanisms for complete piece of mind.

- Load resistance tested up to 300kg/m²

Take advantage of the best from the outside

The Bioclimatic Pergola invented by SOLISYSTEME is an original and exclusive concept that gives you a whole new living space. Your terrace becomes a real extension of your interior for an outdoor lifestyle. Temperature, freshness or sunshine intensity can be modulated to suit your mood or to tame the weather. You can naturally adjust the ambience of adjoining rooms simply by regulating the rays of the sun.

Based around our REFERENCE structure, you will benefit from an understated, modular, robust and elegant finish. It fits perfectly into classic, modern or avant-garde architecture. You will be able to prolong your evenings by creating beautiful nocturnal atmospheres with our new integrated LED lighting.

PROTECTION

Protects from harmful sunlight and offers complete cover from poor weather conditions.

VENTILATION

Provides ventilation to prevent hothouse heat build-up whilst retaining shade.

CONTROL

Regulates the temperature of adjoining rooms by controlling sunlight intensity and direction.

BRIGHTNESS

Adjusts the intensity of the daylight to enable enjoyment of low-light hours.

option 1

Pergola Accessories

Your terrace is ready for the summer but who said that your Pergola was only for the summer season?

Our options for customisation lets your customers enjoy their terrace every day of the year, whatever the season. Glass walls, side blinds, lighting, heating or a fireplace - you can be outside with all the creature comforts of being inside.

No matter if it's hot or cold outside, your customers can still be in their garden enjoying even the slightest rays of sunshine. With the remote control in hand, the accessories of their pergola will obey their every command to master the elements.

Optional Upgrades

- **Lateral Zip Screens with Somfy motors**
- **Sliding glass panels**
- **Integrated LED strip or spot lighting**
- **Adjustable vertical Brize Soleil shading options**
- **Heaters**

The *Bioclimatic* Glass Room

The Bioclimatic Glass Room is the ultimate in modern design, this truly individual solution can be configured to meet any design requirements.

It is available with fixed glass panels, sliding glass doors, vertical zip screens, LED lighting and adjustable louvered vertical panels. You can be assured that there is a solution that will meet your customers requirements.

With this system the end user really has the best of both worlds, they can simply open the doors or adjust the louvers in the roof for ultimate control over their outdoor experience.

"We love the "wow" factor of our pergola and the versatility that it brings. Adding the glass doors create the ultimate garden room which is a comfortable space all year round. It's the envy of the neighbourhood!"
